What is LifeBuilders?

LifeBuilders is a local non-profit organization created by residents of our community in order to help individuals who wish to help themselves.

Here in the 19th Judicial Circuit, several court related programs have been created which have produced extraordinary results which include:

- ⇒ Reduced recidivism
- ⇒ Increased community safety
- ⇒ Promoting productive citizens

Despite the tremendous success of these programs, gaps exist which public funding cannot address. LifeBuilders was formed to fill these unfunded gaps.

93 Cents of every dollar collected by LifeBuilders gives a "hand up" for individuals to

- ◆ live in a transitional housing environment and receive substance abuse treatment,
- ◆ secure new living accommodations or return to an establish home life,
- ◆ further education with high school completion, vocational training or higher education,
- ◆ purchase clothing and shoes suitable to enter a work environment,
- ◆ secure a birth certificate, driver's license or identification card, and
- ◆ pay for work-related tools, household items, dental or eye examinations, and glasses.
