WHAT IS LIFEBUILDERS?

LifeBuilders is a local non-profit organization created by residents of our community in order to help individuals who wish to help themselves.

In the 19th Judicial Circuit, several court related programs have been created which have produced extraordinary results. These results include:

- Reduced recidivism
- Increased community safety
- Promoting productive citizens

Despite the tremendous success of these programs, gaps exist which public funding cannot address. LifeBuilders was formed to fill these unfunded gaps.

LifeBuilders has assisted 1,979 Treasure Coast individuals and families by providing \$433,000 to meet their needs. 91 cents of every dollar collected by LifeBuilders gives a "hand up" to eligible individuals.

- \$260,708 of assistance provided in St. Lucie County
- \$73,269 of assistance provided in Indian River County
- \$91,056 of assistance provided in Martin County
- \$8,002 of assistance provided in Okeechobee County

For more information on LifeBuilders visit us on the web at www.LifeBuildersTC.com.
